

CARMELO FIOR
USA

Headquarters - Cordeirópolis/SP - Brazil

**SOLID, RELIABLE
AND CONSTANTLY EVOLVING.**

With 37 years of expertise in the ceramic tile industry, **Carmelo Fior** is currently the largest exporter of ceramic tiles from Brazil.

Today, one-third of the company's exports are shipped directly to the U.S.*

This leadership reflects a deep understanding of local market requirements, consistent delivery performance, and long-standing, trust-based relationships. It also demonstrates Carmelo Fior's ongoing commitment to innovation, operational excellence, and continuous investment in infrastructure.

OF EXPERIENCE
IN CERAMIC TILE
MANUFACTURING

Our factories in Brazil are strategically located to ensure efficient global distribution. Plant locations:

GLOBAL SCALE. LOCAL PRESENCE.

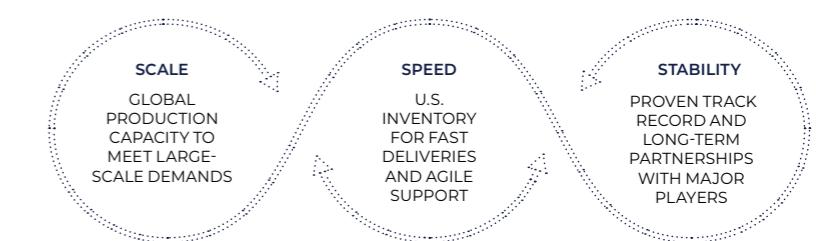

Carmelo Fior — the world's 8th largest ceramic tile producer* and Brazil's #1 manufacturer* — is ready to strengthen its presence in the United States through a full local operation, agile service, and solutions tailored to the demands of the American market.

The United States is one of the largest ceramic tile markets in the world. With 30% of Carmelo Fior's exports already destined for the U.S., this new structure ensures:

- Full local operation for large retail chains and distributors
- In-country inventory and optimized logistics
- Dedicated on-site team
- Direct technical and commercial support
- A product portfolio designed for the U.S. market

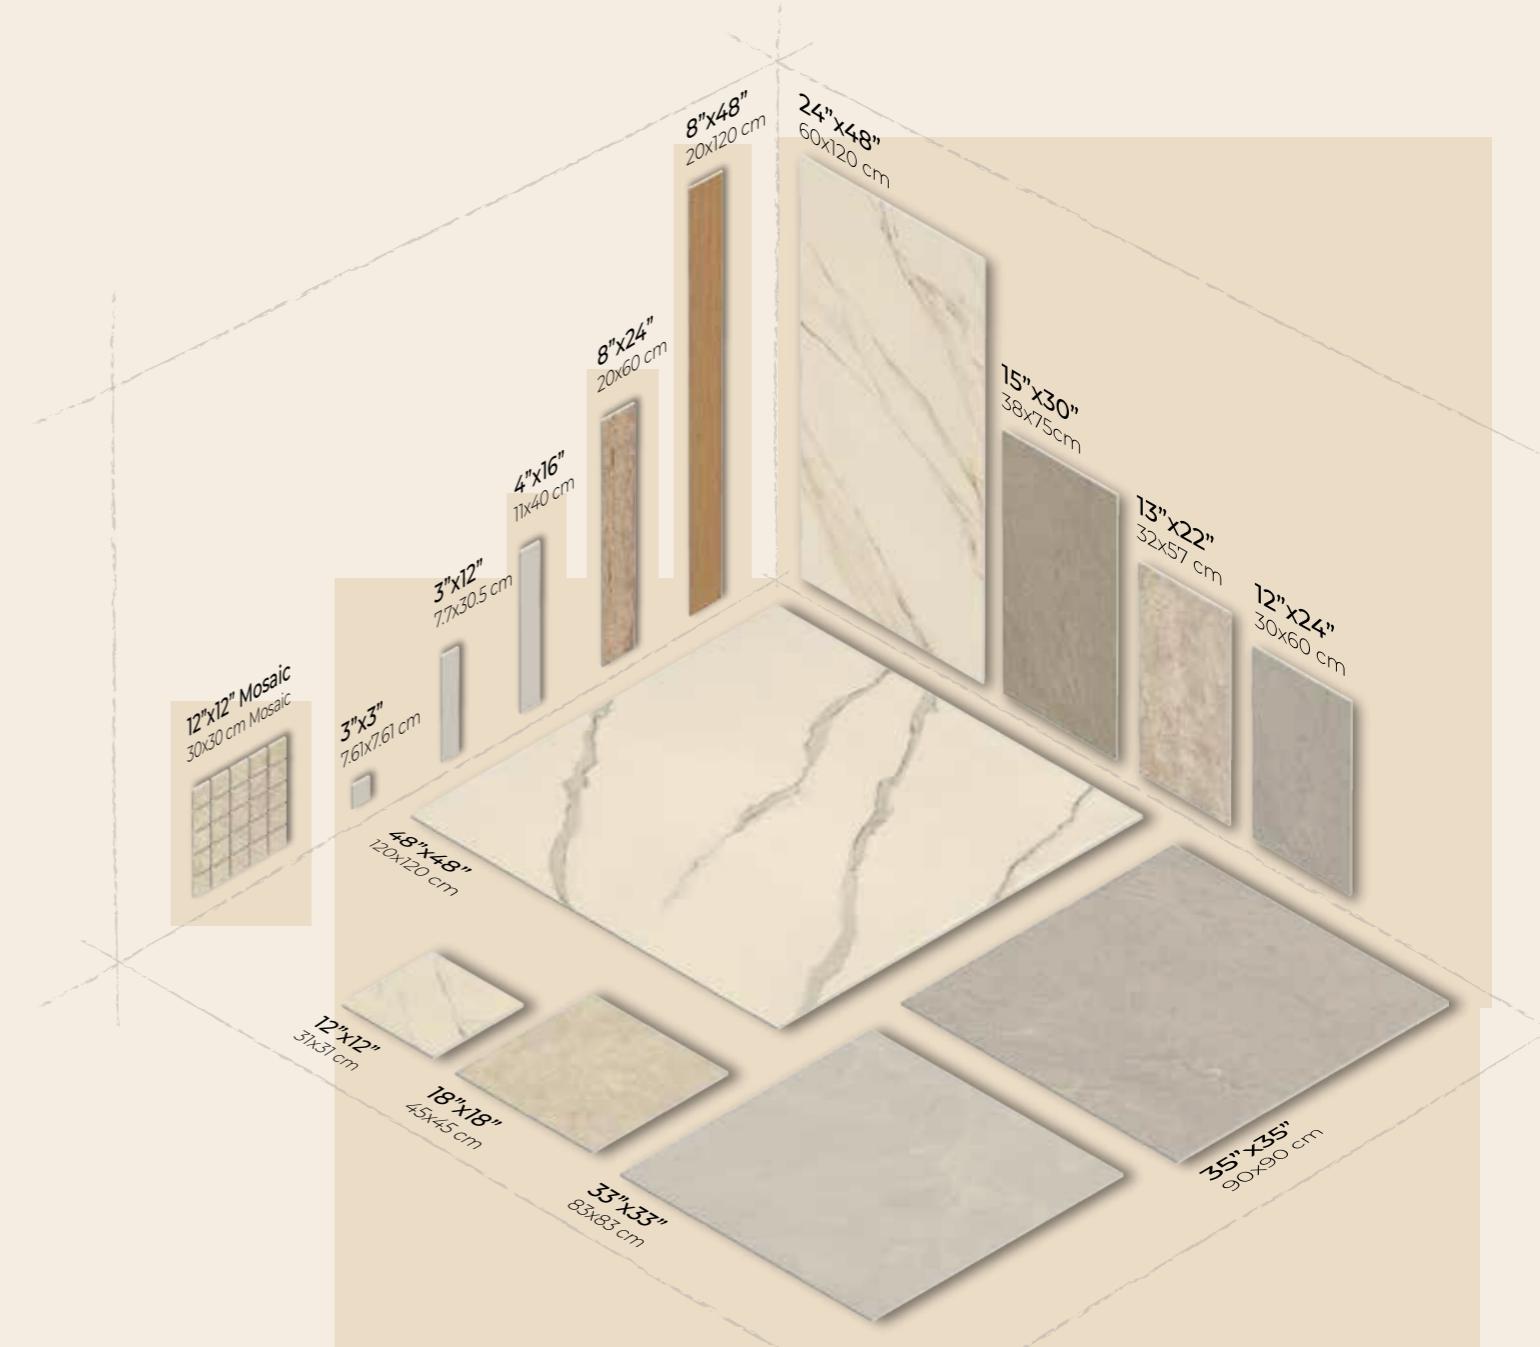

*According to Ceramic World Review ranking

THE PERFECT MIX OF PRODUCTS FOR ANY PROJECT.

Carmelo Fior delivers complete flooring solutions — from ceramic and porcelain to wall tiles — designed for both indoor and outdoor spaces.

Our collections stand out for their competitive value and strong market appeal.

WALL TILE

Walls become expressions of design with surfaces that balance subtlety and sophistication.

Carmelo Fior wall tiles reinterpret simplicity through refined textures, soft finishes, and precise proportions — creating harmony between form and function.

Their lightweight nature and adaptable applications make them ideal for transforming everyday spaces into environments of warmth, depth, and character.

From bathrooms and kitchens to living areas and feature walls, each piece elevates interiors with timeless elegance and a distinctly contemporary touch.
